**WEDNESDAY,  
22  
NOVEMBER –**

The Faculty of Humanities, Arts and Heritage (FKSW), Universiti Malaysia Sabah (UMS) recently reopened their Resource Centre now known as Bilik Sumber Ilmusabah.com located on the

second floor of the building.

The resource centre was officiated by the Dean of FKSW, Prof. Dr. Ismail Ibrahim, witnessed by senior lecturers and staff of FKSW.

The cost in upgrading the old resource centre was absorbed by alumni of the faculty from all over Malaysia, and also existing part time students (PLUMS) who were more than happy to do their part in giving back to their *alma mater*.

“This project was initiated when we saw the need to upgrade the resource centre to be more resourceful and conducive for users,” said Senior Lecturer, Dr. Maureen De Silva who is also the coordinator of the resource centre.

“The solidarity among the faculty alumni is very strong and this is a way of giving back to an institution that had played an important role during our student lives.

“We hope that this centre would benefit the younger generations who are still undergoing their studies at the faculty,” said a former student.

FKSW thanked all its alumni for making this project a success. - FL
